Tourist way of life

Dear Volvo fans,

While we have a very busy time around the preparation of the next VCA2020, maybe are you wondering “Will 3 days be a sufficient time for this Volvo high mass?” and “How to participate without leaving my family outside the event?”.

Good news! We have nice answers for you....

The event program is ambitious, and the planning shows it will fit with a weekend time: on Friday June 19th, institutional cocktail evening in Paris; On Saturday June 20th, a very nice tour by car in the Champagne countryside and all car clubs gathering, and finally on Sunday June 21st, the great day for all cars exhibition. And you know what.... There is so much sightseeing and touristic activities proposed in the VCA2020's site surroundings.... you should stay there for a whole week if possible! And share the adventure with you family! Why not see for yourself? ...

For ladies and gentlemen: Champagne vineyard discovery with Champagne tasting: hiking in Mutigny-en-Champagne or cycling (with electrical assistance) with L'Echappée bulles or in a double-decker bus in Epernay or from the sky, a so romantic moment, with Flight of dreams in Château-Thierry. An artistic step in Camille and Paul Claudel's home, a sportive one on Reims-Bezannes golf course or a musical one at the Guinguette de Sept-Saulx.

For kids: an excursion by miniature train or cycling in the vineyard in Chamery; a panoramic view in a hot-air balloon in Epernay; rollers or skateboard riding on the Marne valley Véloroute; amusement park Grinyland in Sept-Saulx; cruise on the river Marne in a paddleboat in Cumières; visit of the Wine Museum with a climb in an unusual lighthouse in Verzenay; footgolf game in Romery (from 7 years old); paper chase and treasure hunt in the castle of Condé en Brie.

For oneself selfishly:) : classic cars in Fère-en-Tardenois (Association Tardenoise du Patrimoine Roulant); fishing and hunting in the 700 hectares of valleys and ponds Domaine de Mont Banny; craft brewery Les 3 loups in Trelou-sur-Marne which proposes 11 different beers (drink reasonably... of course).

For all, the essentials: the castles of Coucy and of Pierrefonds; the WW1 memorial sites; the Memory Museum of Belleau 1914-1918; the huge necropolis Oise-Aisne American Cemetery and Memorial (more than 6000 graves)

Not to mention the exceptional line-up and entertainments in the VCA2020 itself! It'll all fall into place. But shhh... It's still a secret.
